REFERENCE : Introducing MIEA Advisory

We have taken into account that the members have over the years many concerns, questions and clarifications required on many areas of their practice. The Malaysian Institute of Estate Agents heard your call and agreed to issue an 'advisory' for the benefit of members. **The advisory is in a letter format informing member(s) of decisions, recommendations and advice issued** on the directive of the Executive Committee (EXCO) and/or Board of Directors of MIEA. It is designed to cover the following areas;

1. Advisory on matters of practice;
2. Advisory on matters of public concern;
3. Advisory on matters of wrong doing;
4. Advisory on matters that needs clarification;
5. Advisory on decisions of the board that needs the attention of members;
6. Advisory on matters of good practice; or
7. Advisory on current issues and concerns of members.

We hope this will help all members to be professional in what we do and help to elevate our profession.

Thank you.
